Purchasing Information

Administrative Letter #42 Purchasing Information - Approved 09/25/2012

DATE: September 25, 2012
TO: Principals (All Employees)
FROM: Brent Bills
REGARDING: Purchasing Information

There are many purchases being made that do not follow the purchasing policies of the Washington County School District. These procedures are not new and are mandated by state law – not just district policy.

In order for the business of the District to flow smoothly, ALL employees MUST follow the procedures outlined. Please share this information with your staff.

DISTRICT POLICY 6000

6000.3.1.4. Purchase Order Guidelines: Purchases using district budgeted funds, must be done on district purchase order forms, approved by appropriate district personnel in accordance with district procedures as directed in the [Accounting & Finance Manual](#).

6000.3.1.5. Personal Use Prohibited: No purchase shall be permitted through a school or the District for employee's or student's personal use (other than specific project materials designed for student instruction or school activity purposes).

SMALL PURCHASES

Use of all accounts must follow the board policy for purchase order and claim sheet limits.
