Student Insurance

Health/Safety/Welfare Washington County School District - Adopted 8-79; Revised 6-9-87

1. Purpose:

Accident insurance is vital wherever large groups of students assemble

2. Policy:

No student shall be permitted to engage in competitive inter-school athletics without the written consent of the student's parent or guardian.

3. Procedure:

3.1. It becomes the responsibility for each teacher to acquaint parents and children with the school child accident insurance program.

3.2. The principal of each high school shall see that all athletes are covered by accident insurance for activities approved by the Washington County Board of Education.
