Eligibility:

"Student Teacher Internship" means a supervised "hands-on" experience to prepare aspiring teachers, to perform assignments and in doing so act, or work as the "teacher of record." All university/college course work must be completed prior to participation in the program. If selected, teacher Interns will receive a non- compensated teaching assignment at the start of the school year, under the direction of a school mentor teacher and a collegiate supervising professor. Interns are expected to attend in-service training as scheduled and Professional Learning Community (PLC) training and preparation activities as scheduled, in uncompensated status. Upon successful completion of the minimum 12 week student teaching assignment and all other educational and program requirements for licensure in the state of Utah, Student Teacher Intern may be converted to full time temporary status with salary and benefits according to District Policy through the end of the contract year. This action will be contingent upon receipt of documentation from the candidate's college or university department head verifying that the candidate has completed all requirements and is being recommended for licensure in the State of Utah.

- Must meet all university requirements and obtain approval from the designated university program Coordinator/Director to begin internship hours.
- Must complete a criminal background check through Utah State Office of Education
- Must obtain a valid Student License through Utah State Office of Education

MANDATORY: to be considered for this program, the APPLICANT must obtain the following eligibility verification:
 I certify that the above named individual will complete all required course work in accordance with Utah Administrative Rules, has completed a satisfactory and current background check, holds a valid educator license issued by USOE, and will be eligible for participation according to WCSD Policy and this agreement, by the start of the school contract year or program period.
