INFORMATION FOR TRANSPORTATION DEPARTMENT APPLICANTS

We appreciate your interest in seeking employment with the Washington County School District and want to provide you with the following information regarding your application and our hiring practices. Additionally, our world-wide-web homepage includes up-to-date information on current vacancies which may be accessed through www.washk12.org.

Due to the large number of applications the District receives, it is not feasible to acknowledge receipt of your application, nor can we answer all of the correspondence that we receive. However, we do give full consideration to all qualified candidates for positions which open in the District.

In completing the application, we suggest that you be as thorough as possible, including all information about you and your qualifications which you feel is relevant. If you have a resume, make sure we have an up-to-date copy to go with your application. If you are currently employed, list the names, telephone numbers, and addresses of at least two of your supervisors.

Applications are filed along with supporting data, by employment classification (i.e. secretary, assistant, custodian, bus driver, etc.). When positions open, those responsible to make recommendations for hiring will review the applications on file, narrow the field of qualified candidates and contact the applicants to see if they are interested in being considered. Highly qualified applicants may then be invited for an interview. We attempt to notify all interviewed candidates of the final decision. A criminal background check will be made on all candidates who are recommended for hiring, and a fee will be charged for this. All applications and related materials become the property of the Washington County School District and will not be returned to the applicant.

Sincerely,

[Signature]
