PARENT/GUARDIAN AGREEMENT

I, _____ (Parent/Guardian) of the above named student(s), declare my intent to home school my student(s). I understand and agree:

1. I am solely responsible for the education of my school age minor.
2. I am solely responsible for selecting instructional materials and textbooks.
3. I am solely responsible for setting the time, place and method of instruction.
4. I am solely responsible for the evaluation of the home school instruction.
5. I may request that the local school board/district identify the knowledge, skills and competencies a student is recommended to attain by grade level and subject area to assist me as the parent/instructor in offering college and career readiness through home schooling.
6. Students released for home instruction do not earn Washington County School District credits. I accept full responsibility for my student and understand that he/she may not qualify for a high school diploma issued by the Washington County School District. Please refer to Policy 4100 Graduation Requirements/School Credits; Section 4.2

For students with IEP's or identified through child find: My decision to home school does not in any way imply that the school district did not provide a free and appropriate public education and I understand and agree that my student has no individual right to receive special education and related services which he/she would receive if enrolled in a public school in Washington County School District, unless I have arranged for dual enrollment consistent with state law, Section 53G-6-702/703 and Utah State Board of Education rule R277-438.

I have read this agreement and understand my obligations as a home school parent.
