## Non-graduating Seniors

*Administrative Letter #99 Non-graduating Seniors - Approved 12/28/2014*

---

**DATE:** February 28, 2014

**SUBJECT:** Non-graduating Seniors

Throughout a student's educational experience, plans are developed by school counselors to assist students in charting a course for graduation. Unfortunately, some students do not graduate with their class, oftentimes lacking the necessary credits required by the State of Utah to receive a high school diploma.

Beginning immediately, if a student does not graduate with their graduating class, *the student will have until September 30<sup>th</sup> of that year to complete the required credits in order to receive a diploma from the school he/she attended.* If a student completes the necessary requirements to receive a diploma after September 30<sup>th</sup>, they will receive a Washington County School District diploma.
