1. Purpose:

The purpose of this volunteer policy is to provide the community with an understanding of schools and the educational process and to enhance the quality of education and student achievement. It is intended to enable the teachers to increase individualized instruction in the classroom and to enhance teacher effectiveness by providing them more time for educational activities and experiences.

2. Policy:

- 2.3. In accordance with District Policy 1100-3.10.1.1: Volunteers with significant unsupervised access to a student in connection with the volunteer's assignment will be required to submit to a criminal background check as a condition of service. Until the background check is complete, the volunteer must remain under the supervised observation of a District employee.
- 2.4. Failure to follow direction of a supervisor or to follow applicable laws, rules, and District policies may warrant termination of volunteer services. Schools are not required to utilize volunteer services, and the opportunity to volunteer may be denied for any reason at the sole discretion of school administration. Volunteers must not be utilized where their presence is considered disruptive to the educational environment of the school.
