District Policy 1910

Field Placement & University Partnership

_Educator, Administrator, and Counselor - Adopted 02-08-11; Revised 3-15-16; Revised 6-8-21_

1. Purpose:

It is the intent of the Washington County School District to promote and support student educational experiences within its facilities. WCSD is committed to working with our academic institutional partners to optimize the educational experiences of students who are training to become professional educators, school counselors, school leaders, and school psychologists.

2. Policy:

Due to issues of liability, confidentiality, compliance, educational environment, all WCSD employees, administrators, participating schools, faculty, instructors, and participating students are required to follow procedures established by administration to manage and monitor clinical experiences, field placements, internships, practicums, and special program assignments for educators, school leaders, counselors, and other programs. Assignments are temporary arrangements and may end at any time at the sole administrative discretion of the Washington County School District.

3. Procedure:

3.1. Definitions:

3.1.1. “Clinical Experience” means a structured opportunity in which a program candidate is mentored by a licensed educator and evaluated by an LEA administrator or university preparation program faculty member, in order to develop and demonstrate competency in the skills and knowledge necessary to be effective as defined in Utah Administrative Rule.

3.1.2. “Counselor Practicum Clinical Experience” means the school-based experience, that provides multiple opportunities for application of knowledge and skills that are uniquely required by the University Program.
3.1.3. “Field Placement and University Partnership Programs” shall encompass all approved WCSD field placement experiences.

3.1.4. “Field Placement Committee” shall consist of the Washington County School District Executive Staff and shall approve School Leader Clinical Experiences.

3.1.5. “Internship Clinical Experience” means the school-based experience that provides an opportunity to observe, practice skills, and reflect on practices as required in Administrative Rule that also includes an element of paid employment under the terms and conditions of a temporary employment agreement.

3.1.6. “Mentor” means an educator with a professional educator license who is trained to advise, coach, consult, and guide the development of a new educator, who will perform duties as described in R277-308, and must not have responsibility to evaluate a new educator.

3.1.7. “School Leadership Clinical Experience” means a supervised school-based clinical experience, to include working in both an elementary and secondary school setting, which offers the opportunity of working with licensed school administrators, students, certified and classified employees, parents, and patrons required by Administrative Rule R277-305-4. Program participants are unpaid and clinical experience must not be completed on District paid contract time unless approved in advance by the WCSD Field Placement Committee.

3.1.8. “Student Enhanced Experience (SEE) Program” means an apprentice cooperative educational endeavor between Utah Tech University and Washington County School District, designed to enhance a prospective teacher's opportunity for an applied practical classroom teaching experience.

3.1.9. “Student Teacher Employment Program (STEP)” means a supervised "hands-on" experience to prepare aspiring teachers completing a university-based Board approved educator preparation program and clinical experience, while working as a temporary employee and receiving pay and benefits from the District as the “teacher of record” under a university associate license program.

3.1.10. “University Field Placement Clinical Experience” means a university/college student who is not an employee of the Washington County School District completing a Clinical Experience in the District as a requirement of their University Program or Administrative Rule. University Field Placement Clinical Experiences are unpaid.

3.2. Requirements for all programs and Clinical Experiences:

3.2.1. Applicants must not solicit participation for Clinical Experience assignments by arranging an assignment directly with administration or staff assigned to a school location. All Clinical Experience assignments are arranged and approved by the WCSD District Office.

3.2.2. Administration has the right to reject or accept a proposed placement and are authorized to interview applicants prior to finalizing a placement.

3.2.3. An applicant must agree to conduct his/herself professionally and in accordance with all applicable WCSD policies and procedures, all Utah Administrative Rules, Utah Educator
