No person on the basis of sex, shall be subjected to discrimination or sexual harassment under any education program or activity receiving Federal financial assistance. (20 U.S.C. 1681(a)).

### 2. Policy

Sexual harassment is prohibited by Title IX of the Education Amendments of 1972 and by this Policy in all of the District's educational programs including academics, extracurricular activities, and athletics. Allegations that originate off-campus which impact the victim's ability to effectively access and continue their educational program **may** be addressed under this Policy at the discretion of the Designated District Title IX Coordinator. This may include allegations of sexual harassment through the internet, electronic mobile devices and/or social media.

2.1 This Policy applies to all students, staff members, administrators, or third parties. The Board is resolute in its determination to enforce this Policy by investigating complaints and taking appropriate action when violations are identified.

2.1.1. All Designated District Title IX Coordinators, as well as Investigator(s), Decision-Maker(s), or any person designated to facilitate an Informal Resolution Process shall not have a conflict of interest or bias for or against Complainants or Respondents generally, or an individual Complainant or Respondent.

2.3. Definitions:

2.3.1. Actual Knowledge: Notice of allegations of sexual harassment to any employee of the District.

2.3.2. Complainant: An individual who is alleged to be the victim of conduct that could constitute sexual harassment and makes a complaint.

2.3.3. Formal Complaint: A document filed by a Complainant and/or signed by the Designated District Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the allegation of sexual harassment.

2.3.4. Respondent: An individual who has been reported to be the perpetrator of conduct as per Policy.

2.3.5. Sexual Harassment: Conduct on the basis of sex that satisfies one or more of the following:

(1) Quid Pro Quo: A District employee that directly or indirectly requires a student or subordinate to submit to unwelcome sexual conduct to participate in a program or activity and/or requires sexually based actions in order for the student or subordinate to receive aid, benefit, or a service of the District; including influencing an educational decision, a good grade, attending an event, or participation.

(2) Unwelcome sexual conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity.

a. Severe: Based on whether the described occurrence or conduct was severe from the perspective of a reasonable person in the Complainant's position.

b. Pervasive: A single instance of an unwelcome act typically does not meet the Title IX standard for sexual harassment requiring investigation, but there are instances when a

single unwelcome act may meet the standard. Factors to be considered include, but are not limited to, whether there is a pattern of sexual harassment, the number of people involved, and whether the unwelcome sex-based conduct involves widespread dissemination of offensive material.

c. Objectively Offensive: Whether the described occurrence or conduct was offensive from the perspective of a reasonable person in the Complainant's position. "Just joking" is not an accepted excuse.

d. Denied of Equal Access: Does not require that the Complainant be entirely or physically excluded from educational opportunities, but rather that the sexual harassment has so undermined and detracted from the Complainant's educational experience that he/she is effectively denied school resources and opportunities. No concrete injury is required to show a denial of equal access. Examples may include, but are not limited to an athlete who quits the team, skipping class to avoid the harasser, a decline in a student's academic performance, difficulty concentrating, etc.

(3) Sexual harassment includes dating violence, domestic violence, stalking or sexual assault as defined in the Clery Act and in this Policy as follows:

a. Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be based upon the reporting party's statement with consideration of the following factors: the length of relationship; the type of the relationship; and the frequency of the interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

b. Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of Utah, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of Utah.

c. Stalking: Two or more acts of conduct that is directed at a specific person that would cause a reasonable person to fear for his/her safety or suffer substantial emotional distress, including, acts in which the stalker directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens, or communicates to, or about a person, or interferes with a person's property.

d. Sexual Assault: is defined as any sexual act directed against another person for the purposes of sexual gratification, without consent of the victim, including instances where the victim is incapable of giving consent. It includes rape, fondling, incest, and statutory rape as defined below:

i. Rape: The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the

consent of the victim.

ii. Fondling: The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

iii. Incest: Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

iv. Statutory Rape: Sexual intercourse with a person who is under the statutory age of consent.

2.3.6. Sexual Misconduct: Conduct of a sexual nature, including inappropriate sexual behavior or threatened behavior that poses a threat to the welfare, safety, or morals of other students or school personnel, but does not rise to the level of Sexual Harassment. Sexual misconduct is prohibited and will be investigated and addressed under Washington County School District Policy 2110 Safe Schools; 1710 Non-Discrimination; 1450 Discipline and Termination, and Non-renewal of Contract.

2.3.7. Reasonable person means an individual under similar circumstances and with similar identities to the victim/Complainant.

2.3.8. Substantial Emotional Distress: Is significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

2.3.9. Supportive Measures: Non-disciplinary, non-punitive individualized services offered promptly as appropriate, as reasonably available, and without fee/charge to the Complainant or Respondent before and after the filing of a complaint. Such measures are designed to restore or preserve equal access to the District's educational program or activity without unreasonable burdening either party, including measures designed to protect the safety of all parties and protect the educational environment.

2.3.10. Third Party: The jurisdiction of this policy includes allegations occurring at all schools, and district programs; enroute to school activities; and where the Washington County School District has exercised substantial control over both the Respondent and the Complainant and the context in which the reported Sexual Harassment occurs. Third party for the purposes of this policy therefore includes volunteers, vendors, visitors and independent contractors who are present in described settings; or who have knowledge of an alleged violation and report it.

### 3. Complaint Procedure

(Grievance Policy for Employee Complaints of Discrimination is reference in District Policy 1710; Parent Administrative Grievance Procedure District Policy 3500; Non-Discrimination Policy 2115)

The intent of the complaint process is to provide a prompt and equitable resolution of complaints alleging any form of sexual harassment. The essential components of the complaint process include:

(1) Reporting the complaint, i.e., Notice;

- (2) Implementing supportive measures;
- (3) Determining if the complaint is formal;
- (4) Investigating the complaint;
- (5) Providing a response regarding the outcome of the complaint to both parties; and
- (6) Filing an appeal.

3.1. Reporting: All employees of the District are required to report any allegation or observation of discrimination, sexual misconduct, and sexual harassment to the employee's immediate supervisor, who will report to the school principal where the student/employee is enrolled or employed.

Receiving a complaint from anyone (not just the victim), constitutes notice and therefore triggers a required School/District response.

3.1.1. Reporting to Law Enforcement: In cases involving potential criminal conduct, school personnel must immediately notify appropriate law enforcement authorities. When any person has reason to believe that a child has been subjected to abuse or neglect, that person shall immediately notify the nearest peace officer, law enforcement agency, or office of the Division of Child and Family Services. A law enforcement investigation does not relieve the school of its independent obligation to investigate the conduct.

3.1.2. Timelines: Any reported allegations of sexual harassment will be investigated promptly; without deliberate indifference; and in accordance with the complaint procedures set forth below. Timelines may vary depending on the complexity of the investigation and the severity and extent of the sexual harassment. This includes complaints filed by students against school employees, other students, or third parties. The District's process may be delayed for good cause including the absence of a party, concurrent law enforcement activity, or the need for language assistance or accommodation of disabilities.

3.1.3. Initial Inquiry: Upon actual knowledge, the school administrator shall without delay conduct an initial inquiry to receive information about the allegation (this is not an interview). The school administrator shall then notify the Designated District Title IX Coordinator about the allegation to determine if the conduct, on the face of the allegations, is more likely sexual misconduct or sexual harassment as defined in this Policy.

3.2. Supportive Measures: Supportive measures shall be offered. The determination of supportive measures shall be made when the school administrator notifies and coordinates with the Designated District Title IX Coordinator. Complainants and Respondents are to be treated equitably. Every effort to preserve equal access for all parties shall be implemented. Individualized supportive measures as defined in this Policy shall be made available to both the Complainant and Respondent depending on their circumstances.

3.2.1. Supportive measures may include altering work arrangements, changes in work locations or leave of absence (specific to employees); mutual restrictions on contact between parties; counseling; school safety plan; supervised transitions; increased security and monitoring of certain area of campus; and course related adjustments including extensions of deadlines, modifications to the amount of work required, changing class schedules, separate

classes, etc.

3.2.1.2. All supportive measures or reasons for not offering supportive measures must be documented and made available to the Designated District Title IX Coordinator.

3.3. Emergency Removal: A Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made; therefore, the school **shall not** impose any disciplinary actions until the conclusion of the process; however, it may be necessary to impose an emergency removal if there is an **immediate threat to the physical health or safety** to the Complainant and/or other students, based upon an individualized safety and risk analysis. A removal cannot be based solely upon an allegation.

3.3.1. Notice of Emergency Removal: Prior to imposing an emergency removal, the Respondent must be given notice and may have the opportunity to challenge the decision.

3.3.2. Removal of Employees: An employee Respondent may be placed on paid administrative leave with or without a showing that the Respondent poses an immediate threat to the physical health or safety of individuals.

3.4. Formal Complaint: Upon learning through actual knowledge and initial inquiry that the conduct that could constitute sexual harassment, the school administrator shall notify the Designated District Title IX Coordinator who may interview the Complainant. The procedures in this Policy must be followed if the allegations, if true, meet the definition of sexual harassment; otherwise follow Policy 2110.

3.4.1. Filing a Formal Complaint: A student and/or parent/guardian may complete a written complaint on behalf of a minor Complainant requesting that the District/School investigate an allegation of sexual harassment. An employee is required to file his/her own complaint. However, in either case, the Designated District Title IX Coordinator may also issue/sign a formal complaint on behalf of the Complainant if the Complainant refused to file but the allegation, on its face, it meets the definition of sexual harassment. The Designated District Title IX Coordinator shall file a formal complaint if there is a physical threat to the Complainant, but the Complainant cannot proceed, or where there is an institutional problem.

3.4.2. Contents: A written formal complaint may be submitted on the District form or other written document and may be submitted via mail or electronic means. It must include the following:

3.4.4.2. Discretionary Dismissal: The complaint **may** be dismissed if the Complainant makes a request in writing to the Designated District Title IX Coordinator that he/she would like to withdraw his/her formal complaint; or if the Respondent is no longer enrolled or employed by the District; or if circumstances prevent the District from gathering sufficient evidence to reach a conclusion.

3.4.4.3. Dismissal Notice: Upon dismissal of a formal complaint, written notice of the dismissal and reasons why must be sent to the Respondent and Complainant simultaneously. Dismissal does not preclude action under another District Policy. The Complainant may appeal the dismissal in accordance with the procedures for appeal in this Policy.

3.4.5. Informal Resolution Process: Following a formal complaint, the Complaint and the Respondent will be given the option of participating in an Informal Resolution Process which may be facilitated any time after the complaint has been filed and prior to the determination with the voluntary written consent of both parties. If the Informal Resolution Process fails, the Formal Complaint will resume. Informal Resolution is not an option when the allegations are of an employee sexually harassing a student.

3.4.5.1. Informal Resolution Notice: An informal resolution process may be facilitated

provided that the parties receive written notice with the following information:
