Productivity System - Recommended for deletion

Special Programs Washington County School District

1. Purpose:

2. Policy:

3. Procedure:

As space is needed, the intent of the Board of Education is to: (1-89)

3.1. ELEMENTARY SCHOOLS: Move schools into year-round education as space is needed. Allow those schools currently on the productivity model to continue until they can phase-in to year-round education.

3.2. SECONDARY SCHOOLS: Study effective facility use programs and continue the productivity model until a suitable alternative is developed. (For purposes of this statement, Woodward Elementary fits into this category.)
